How are we paid for the services we provide?

Investment management fees earned on the InvestSMART Professionally Managed Account Portfolios and commissions paid to us by product issuers, and subscriptions to Intelligent Investor and Eureka Report primarily remunerate the InvestSMART Group. We may also receive fees for advertising, marketing and distributing third party products and services. The InvestSMART Group, through InvestSMART Financial Services, InvestSMART Insurance and YourShare, will rebate 100% of initial commissions on managed funds paid by fund managers as additional units in the fund, but will not rebate initial commissions on managed funds paid by the product provider in cash.

Initial commissions, including entry fees and sales commissions, are a one off payment and are calculated as a percentage of the funds you have invested.

**Initial commissions are calculated as follows:**

- Investment products between 0% and 5% (GST inclusive) of your investment amount; or
- Insurance products between 0% to 90% (GST inclusive) of the premium that you pay.

Ongoing commissions (sometimes referred to as trailing commissions) are paid for the length of time you hold the product. They are usually paid directly to InvestSMART by the product provider out of the revenue the product provider earns. In some cases, they may be deducted from your investment, or the premium, or management fees you pay to the product provider.

**Ongoing commissions and fees are calculated as follows:**

- Investment products between 0% and 1.1% (GST inclusive) of your investment amount; or
- Insurance products between 0% to 35% (GST inclusive) of the renewal premium.

The InvestSMART Group may rebate a portion of these ongoing commissions.

The InvestSMART Group receives an investment management fee of between 0% - 0.97% (GST inclusive) on any amounts invested in
the InvestSMART Professionally Managed Account Portfolios, and up to 0.97% plus performance fees on the managed funds issued by InvestSMART Funds Management Ltd.

The InvestSMART Group may receive commissions for investment products acquired by retail clients from 1 July 2014, in particular for certain managed fund products where the client had an interest in the managed fund prior to 1 July 2014, or for financial products where the remuneration paid to the InvestSMART Group is not conflicted. Clients may request particulars of the remuneration we receive within a reasonable time after the client has been provided with this FSG and before any financial service identified in the FSG is provided to the client.

The Term Deposit Shop

Under our arrangements with the Term Deposit Shop, the InvestSMART Group is paid 50% of any commission earned by the Term Deposit Shop from clients who invest in a term deposit through our website. Commissions earned by the Term Deposit Shop range between 0.1% - 0.2%, based on the size of the deposit. The commission earned by the Term Deposit Shop is generated either by the client where the Term Deposit Shop's interest rate factors in the commission or they are directly paid by the authorised deposit-taking institution involved in the investment.

How are we remunerated for referrals made to external specialists?

Should you choose to take up a product or service provided by an external specialist such as online broking services, mortgage broking or term deposits, the InvestSMART Group may earn a commission based on the ongoing brokerage or fee you pay. The percentage of commission that will be earned by us will range from 0% to 50% of the amount you pay.

How are our representatives remunerated?

Our representatives are remunerated by salary from the InvestSMART Group and do not directly receive any commissions or fees. They may be eligible for bonus payments, which are discretionary and based on performance measured by a number of different criteria.
What insurance arrangements do we have in place?

Each Australian Financial Services Licencee in the InvestSMART Group holds professional indemnity insurance in place in respect of the financial services we provide to retail clients which complies with section 912B Corporations Act. The professional indemnity insurances cover work done by our representatives or employees during the period of their employment, even if they cease to be employed by us. It does not cover work done by representatives or employees after they cease to be employed by us.
