LINK Market Services How to complete the Standard Transfer Form

To minimise the risk of fraud, Link has implemented a securityholder verification procedure for all off-market transfers of ASX listed securities.

Proof of Identity

Evidence will need to be provided with each transfer form to confirm the identity of the seller as the current owner of the securities to be transferred. The buyer of the securities may also be required to provide identification to comply with the Know your Customer (KYC) requirements of the Anti-Money Laundering and Counter-Terrorism Financing Act 2006 (AML/CTF). If you are unsure, please call us on **1300 554 474** for further information.

Identification documents and eVerification (electronic verification of identity)

Link can verify the identity of Australian and New Zealand individuals electronically using government issued identity documents such as passports, driver's licences and Medicare Card. If you consent to your identity being verified electronically, complete the identity documents section on the back of the attached transfer form at Section F.

Please choose either Option 1, 2 or 3. If you select option 2 or 3, send us a certified copy of the applicable identity document(s). Please DO NOT attach original documents as documents will not be returned. Proof of Identity documents will not be held on file and must be provided with each lodgement. If you are unable to provide the requested identity documents, please contact us for a list of alternatives that we can accept.
